

Bridge School Malvern

Newsletter – Autumn 2020

I think we all agree it's been a tough year, but despite the difficulties, positivity has shone through. From organising projects to taking part in fundraising events, our pupils have achieved some impressive feats during these challenging times. These are just some of the fantastic things they've been getting up to...

Bounceathon – Children In Need

One of our biggest events this year was our 'Bounceathon' in aid of Children in Need. Pupils from each bubble worked together taking it in turns to ensure that someone was bouncing at all times on a trampette to some upbeat tunes – not an easy task for a whole day.

Bubblegum bounced over 33,000 times and Bubble Trouble 26,000 times. Bubble and Squeak won the day with 67,000 bounces!

Pupils bounced over 126,200 times in total. We raised £126 pounds for bouncing and an additional £114 in generous donations. What a fun and active day.

Why don't reindeer like picnics?
Because of all their ant-lures!

Foodbank Donation Box

Harvey worked with his Coach, Kerry, on arranging a donation box for our local Foodbank. The generosity of the Bridge associates has been amazing and a very thoughtful gesture, especially at this time of year. A big thank you to all those involved, and to Harvey for his organisational input.

Bridge Hoodies

In our Summer Newsletter, we featured a piece on Theo embarking on a project – our very own Bridge hoodies. Wanting to contribute to the established Bridge community, Theo presented a Good Morning Bridge and we got the ball rolling. Then Covid19 hit, but Theo wasn't about to let a pandemic stop him!

Fast forward to later in the year, after planning the colours, the design, keeping records, coordinating the orders, organising delivery and distribution, Theo's resilience and determination shone through. On behalf of everyone at the Bridge, thank you, Theo. We can now present you with 'THE BRIDGE HOODIE'.

Santa Dash – Save the Children

On Friday 11th December, staff and students took part in an awesome 'Santa Dash' in aid of Save the Children. Those taking part took on the challenge to see how many times they could run/dash/walk around route in half an hour. In total, pupils ran 106 laps which worked out at 96.5km. Wow. What a determined bunch.

Theo wearing a new Bridge hoodie - what a champ!

New Equipment

Pupils have been trying out the new PE equipment this term, including the Slack Line, Lacrosse sets, table tennis table and the gravity disks.

Sponsored Walk – Shelter

There were lots of tired legs after our pupils took part in a sponsored walk from school into the Hanley Swan village in aid of the homeless charity, Shelter. It was great to see everyone pacing along and having a good chat and a laugh as they went and we raised a total of £112 for a good cause.

Important dates and information for your diary:

- | | |
|--|---------------------------------|
| Monday 4th and Tuesday 5th January: | teacher training days |
| Wednesday 6th January: | pupils return to school |
| Monday 15th February: | spring half term holiday |
